## **Questions to answer for each video:**

[goo.gl/mdXd9O](https://goo.gl/mdXd9O)

1. Who is the featured artist and where are they from?
2. What method/techniques are they teaching and describe how it is done?
3. Reflect about what you saw and learned write a short description of how these methods/techniques could be used in your project.
4. Revise any drawings in our sketchbook to show what you will use.
